

A photograph of a modern dining room set. It features a light-colored wooden dining table with a white-painted apron and legs. Four chairs with white frames and brown upholstered seats and backs are arranged around the table. On the table, there is a blue ceramic vase with a textured pattern, filled with light-colored flowers. Two place settings are visible, each consisting of a white plate, a glass, and a folded cloth. The background is a plain, light-colored wall.
